A Name You Can Trust

From Construction To Completion:

A health care facility's new or improved design establishes the basis for safe and effective care within that structure. Designing and executing a construction or renovation project requires resources, education, communication, and collaboration throughout the process. When patient and worker safety are at risk, the stakes for a successful project are even higher.

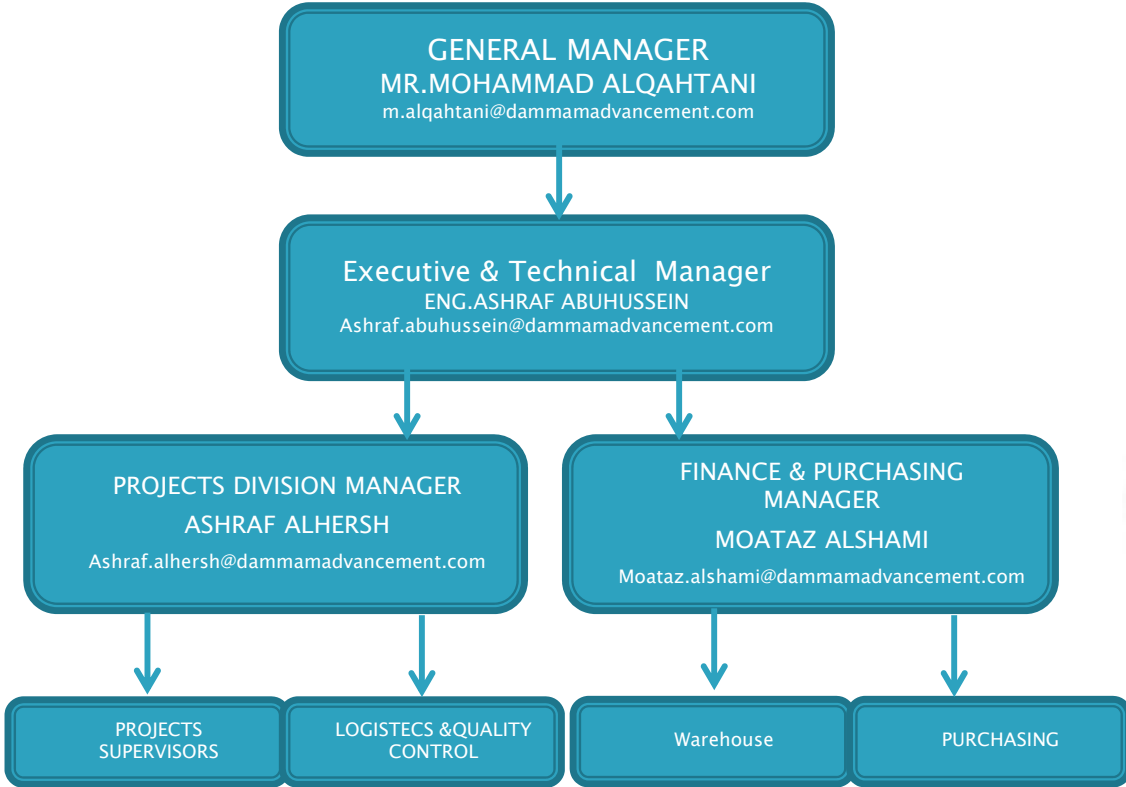

By managing projects, adhering to strict safety guidelines and demanding projects the highest quality workmanship, we built our reputation for completing projects on time and within budget.

Our Pledge

Dammam Advancement will:

- ... Meet your expectations on time and on budget.*
- ... Provide the total solution and take care of the details.*
- ... Be low cost producer of quality work.*
- ... Conduct business with honesty and integrity.*
